

Essex Safari Outfits

Essex Accessory Outfits are available for both 2500 & 3000 Series Kawasaki Mules. Outfits do not include the basic Kawasaki Mule Utility vehicle. See your local dealer or contact us for assistance in determining the best solution for your needs.

Transform the Mule into an ultimate hunting machine with an Essex Safari outfit... Our 27" BigTire Kits featuring bulletproof Kevlar and enhanced suspension provide nearly a foot of ground clearance

....to take you where you want to go.....

The two-seat, heated steel cab is designed for comfort and utility and features lift-off steel doors & a hinged windshield.

With an extended bed, a front basket or footlocker and an optional hunting stand you can take it all with you. The Safari also includes a spare, body armor, a rugged bumper and 3500 lb winch to take you off road

....and bring you back... Warm and Dry!
